

PRESS RELEASE

FOR IMMEDIATE RELEASE

NAIROBI SECURITIES EXCHANGE ADDED TO THE FTSE MONDO VISIONE EXCHANGES INDEX

Nairobi September 26, 2014

Nairobi September 25, 2014

On September 16, 2014, the Nairobi Securities Exchange was added as a constituent of the auspicious FTSE Mondo Visione Exchanges Index, the first Index in the world to focus on listed exchanges and other trading venues.

The FTSE Mondo Visione Exchanges Index, a joint venture between FTSE Group and Mondo Visione was established in 2000. The FTSE Mondo Visione Exchanges Index compares the performance of individual exchanges and trading platforms and provides a reliable barometer of the health and performance of the exchange sector. It enables investors to track 27 publicly listed exchanges and trading floors and focuses attention of the market on this important sector.

In making the announcement, Mr. Peter Mwangi, Chief Executive of the Nairobi Securities Exchange noted, *"The NSE is elated to be added to the FTSE Mondo Visione Exchanges Index. The Index aims to reflect market sentiment and is a key indicator of the exchanges' performance. This addition is in line with our vision 'To be a leading securities exchange in Africa, with a global reach', benchmarking our Exchange against the most competitive Exchanges in the world and giving the Kenyan market international visibility."*

New issues become constituents of the FTSE Mondo Visione Exchanges Index after the close of business on the fifth day of official trading.

The current composition of the index (as at 19 September 2014) is shown in this table:

NOTES TO EDITORS

ABOUT FTSE GROUP

FTSE Group (FTSE) is a world-leader in the provision of global index and analytical solutions. FTSE calculates indices across a wide range of asset classes, on both a standard and custom basis. FTSE indices are used extensively by investors worldwide for investment analysis, performance measurement, asset allocation, portfolio hedging and the creation of a wide range of index derivatives, funds, Exchange Traded Funds (ETFs), and other structured products.

FTSE has built an enviable reputation for the reliability and accuracy of their indices and related data services. FTSE has a long tradition of listening and responding to the market so that it is at the forefront of developing new approaches to index design, many of which are now accepted as the market standard. FTSE prides itself in continuing to invest significant resource in researching and developing new index solutions.

ABOUT MONDO VISIONE

Mondo Visione is the leading source of insight and knowledge about the world's exchanges and trading venues. Since 1991, Mondo Visione has provided those who operate and invest in the global markets with fast, reliable information, delivered in print and online. The company also organises conferences and events where market professionals can share ideas and experience with their peers, regulators, system providers, academics and journalists.

ABOUT THE NAIROBI SECURITIES EXCHANGE (NSE)

The Nairobi Securities Exchange (NSE) is the principal securities exchange of Kenya. Besides equity securities, the NSE offers a platform for the issuance and trading of debt securities. The NSE is a member of the African Securities Exchanges Association (ASEA) and the East African Securities Exchanges Association (EASEA). It is an affiliate member of the World Federation of Exchanges (WFE) and an associate member of the Association of Futures Markets (AFM).
