

WELCOME TO **THE NSE** **IBUKA** PROGRAM

The Ibuka Program is designed for aspirational companies that are driven by a firm commitment to embrace impactful changes that enhance their growth.

www.nse.co.ke

ABOUT IBUKA

The program is designed around Hosting on non-trading boards and Hosting Introducers. These boards are the Incubator Board and the Accelerator Board.

Incubator Board

This involves financial, technical, operational, commercial, strategic, governance, environmental, legal, compliance, outsourcing, capacity building, risk or other service nature.

Accelerator Board

This involves production of specialized documents such as capital raising options report, transaction implementation plan, equity valuation report, offer pricing report, offer memorandum or others as required.

Benefits

This program offers a wide range of benefits to entities including;

- High level of Visibility across a vast public spectrum;
- Enhanced brand recognition and increased business opportunities;

- Assistance in inculcating improved corporatization;
- Assistance in developing capital markets access capabilities;
- Access to a one-stop-shop wholesome distinguished quality consultancy and/ or advisory services;
- Roadmap to higher and long term corporate sustainability;
- Objective of potentially optimal shareholder/stakeholder value.
